Ms Qazzaz takes over the school!

Last Wednesday, one of our School Captains, was Student Principal for the day. Fatima addressed students at morning assembly, visited classrooms to talk about leadership, sat in on a meeting about my professional goals for the year, escorted judges to view our dance group, chatted with students about their work, sent notifications via our school app, visited Drama Club, checked emails and approved notes going home, responded to surprise scenarios, had lunch in the staffroom chatting with the teachers and ran our executive meeting after school!

She commented that:

- “students were really engaged in their learning”
- “little kindergartens are very good listeners & understand what you say”
- “principals can have fun as well as do their work”.

She was a shining example of student leadership and a proud member of our school. Congratulations and thank you, Fatima!

Our students have been enjoying their cooking lessons & trying our yummy food. We have included some of the recipes & would love to collect some photos of your family enjoying them at home.

How many will you try before the end of the term?

If any parents are interested in helping on our cooking days please let us know.
